plus texts

Terms of Payment

- 30% of the contract price at the formation of the contract
- 30% after 50 % of production planning
- 40% of the contract price before dispatch from HGG Profiling Equipment BV
- or
- 30% of the contract price at the formation of the contract

- 70% of the contract price against an irrevocable, confirmed Letter of Credit according to HGG Profiling Equipment draft application in favour of HGG Profiling Equipment BV advised through our banker in the Netherlands, payable at sight against shipping documents. The Letter of Credits must be received by our banker 30 days after the formation of the contract.

[Delivery Time](#)

Delivery time is 6 working weeks Ex Works, following receipt of your written order confirmation and down payment or an acceptable Letter of Credit accepted by our bankers.

Delay in receipt of payments by HGG will cause a delay in the delivery of the machine. Minor deficiencies shall not prevent taking-over (final acceptance) of the machine.

[HGG General Terms and Conditions](#)

The HGG General Terms and Conditions as per appendix apply to this Order Confirmation whereby in case of contradictions the Order Confirmation prevails.

extra texts

[Tests before shipment](#)

The machine is tested at HGG's work facility for proper functioning, geometrical accuracy, positioning accuracy and repeatability.

[Installation and training](#)

The supervision of the installation and commissioning of the machine, as well as the training of the operator at the client's premises are included in the price. Therefore an HGG engineer needs 8 days of each 8 working hours and the assistance of at least 2 mechanics and 1 electrician arranged by the Buyer.

No costs for travelling, board and lodging are included in the price.

After arrival of the machine at location the machine shall be installed within 2 Months. Longer storage of the machine can cause damage and will be charged

accordingly. Waiting periods, which are not due to HGG Profiling Equipment BV and will prolong the installation, will incur a surcharge in accordance with our actual prices.

Foundation

The machine is supplied with an integrated foundation frame which is to be installed on a load bearing floor. Floor to be levelled within tolerances specified on the layout drawing provided by HGG. The machine is not provided with any barriers (fencing/light screen). Upon request, HGG Profiling Equipment BV can either optionally offer barriers and/or support in drafting a fencing plan.

Cutting quality and cutting tolerances

HGG supplies in conformance with cutting quality and cutting tolerances stipulated in the DIN EN ISO 9013 (replaces the DIN 2310, Masstoleranz DIN 2310 Teil 4, Toleranzklasse C und Schnittgüte DIN 2310 Teil 4, Güte 1).

Manuals

All machine manuals will be installed on the Customer Portal. The Customer Portal is a dedicated server location with all relevant information of the machine, such as manuals and back-up of the software. All manuals will be in English and will be supplied together with the machines on USB. The operator manual and the maintenance manual can optionally be translated at relevant surcharges.

Warranty General Terms and Conditions

A Warranty of year(s) applies. The HGG Warranty Terms and Conditions as per Appendix apply to this Order Confirmation whereby in case of contradictions the Order Confirmation prevails.
